ACKNOWLEDGEMENT

My heartful gratitude and thanks to the management of Sree Ratna College of Physiotherapy for providing me an opportunity and all the facilities to work on my project.

I first and foremost express my gratitude to our college principal **Dr. G. PRASUNA** madam (**M.P.T. CARDIO-THORACIC)** for her encouragement & support in the successful completion of my project.

I owe my deep sense of gratitude to my project guide **Dr. G.PRASUNA** madam **M.P.T. CARDIO THORACIC** for her constant motivation and valuable suggestion, support and help throughout my project work. I am extremely thankful to her for providing me her valuable time and all the required information regarding the collection of material of my project.

I also extend my thanks to other faculty members for their constant support and valuable suggestions.

I also thank my friends for sustained cooperation and finally thank to my family for sustained support and encouragement.
